This session is designed for athletes who want more artistic, technical, or personal images than those obtained during the competition.

Sessions are separate from competition packages, have very limited availability, and will be assigned on a first-come, first-served basis.

Important: The session is subject to pool availability and the schedules authorized by the championship organizers.

ADDITIONAL COVERAGE – EXTRA ATTEMPT

Should the athlete make an **Extra Attempt** during the final day of the championship, they may add photographic coverage of that attempt for an additional **USD 11**. The additional coverage includes:

- Photographic record of the Extra Attempt.
- A minimum of 4 edited, high-resolution photographs.
- Delivery along with the rest of the purchased materials.

This add-on is only available to athletes who have previously purchased any of the competition photography packages and can be requested before the start of the Extra Attempt or, at the latest, on the day it takes place.

PACKAGE BOOKING

Booking and payment for the package must be completed through the official Bajau website: <https://bajaufreediving.com/competicion2026/>

The booking will only be confirmed once the purchase process is complete and payment has been received.

The athlete must correctly select the disciplines they wish to book when making the reservation.

PHOTOGRAPHIC COVERAGE

The photographer will provide coverage according to the official championship schedule and the information provided by the organizers.

SELECTION AND EDITING

The final selection of images will be made by the photographer, prioritizing those photographs that offer the best quality in terms of:

- Focus.
- Lighting.
- Composition.
- Movement.
- Expression.
- Underwater visibility.

All photographs will be professionally edited, including adjustments to color, exposure, contrast, framing, and basic retouching when necessary.

No unedited photographs or RAW files will be provided.

DELIVERY OF MATERIALS

The photographs will be delivered:

English version

- In digital format.
- In high resolution.
- Via a private gallery or a download link.

The delivery deadline is **30 days** after the competition ends.

The download link will be sent to the email address provided by the athlete during purchase.

It is the athlete's responsibility to download and back up their photographs within the gallery's availability period.

COVERAGE CONDITIONS

Underwater photography during a sporting event depends on several conditions, including:

- Water visibility.
- The athlete's position.
- The movement of other competitors, judges, and safety personnel.
- The photographer's access to each section of the pool.
- The schedule and any potential changes.
- The duration of the attempt.
- Early withdrawal, disqualification, or absence of the athlete.

Purchase of this package guarantees coverage and the minimum number of photographs indicated, provided the event takes place and reasonable conditions exist for photographing the athlete.

COPYRIGHT AND PERSONAL USE

The copyright for all photographs belongs to the photographer.

With the purchase of the package, the athlete receives a personal use license that allows them to:

- Post the photographs on their social media.
- Use them for their sports promotion.
- Share them with their sponsors.

English version

- Include them in their resume or sports profile.
- Print them for personal use.

The photographs may not be sold, sublicensed, resold, assigned to media outlets, or used in third-party commercial campaigns without the photographer's prior authorization.

Filters, color modifications, significant alterations, watermark removal, or AI-generated edits may not be applied without authorization.

Whenever possible, please include the following credit:

USE OF IMAGES BY THE PHOTOGRAPHER

The photographer may use the photographs taken during the championship for:

- Professional portfolio.
- Website.
- Social media.
- Advertising of her services.
- Exhibitions.
- Photography contests.
- Editorial publications.
- Promotional material.

If the athlete does not authorize the use of their images for these purposes, they must notify the photographer in writing before the start of the competition.

AGREEMENT OF THE TERMS AND CONDITIONS

By completing the booking and making the payment through the Bajau website, the athlete declares to have read and accepted these terms and conditions of the underwater photography service.
